

Treeside Charter School
1724 S. State Street
Provo, UT 84606
Tel: (385) 309-1668
Fax: (385) 557-5237

Dear Families,

Treeside Charter School receives Title I and Title 2 funding and will provide the following to students who qualify as at risk under Title one:

- ★ We will provide Full-Day kindergarten classes
- ★ We will recruit and hire highly qualified teachers, including those licensed or certified through alternative routes.
- ★ Retain highly qualified teachers
- ★ Support teacher access and acquire necessary professional development and continuing education that leads to licensing and appropriate content preparation.
- ★ Teachers will participate in various professional development activities through the school and state during the school year:
- ★ Mentoring/Training in research based practice through an onsite Pedagogical Director who mentors all teachers in academics and behavior.
- ★ Students who have been identified in need of intense intervention will be referred to the Tier II and Tier III program and monitored in 2-week increments.
- ★ Monthly reporting of students to the Student Success Team

Parents have the right to know the professional qualifications of their child's classroom teacher. If you are interested in further information on Title I or Title II, reviewing our policies and procedures or are interested in volunteering please contact Principal Dena Lundgreen at dlundgreen@treesidecharter.org

Sincerely,
Dena Lundgreen
Founder/Principal
